## Message from the Editor-in-Chief

*Climate* (ISSN 2225-1154) invites you to submit research and review articles, new direction papers, and short communications relevant to climate on all scales. *Climate* was established in 2013 to rapidly publish research results on all aspects of interdisciplinary climate research and has been indexed in the Emerging Sources Citation Index. It has received significant attention and recognition in the scientific community, reflected by substantial increases in the number of papers submitted, published, downloaded, and cited. As Editor-in-Chief, I encourage you to consider to publish your research work in *Climate*.
